## Tischhöhe Varianten:

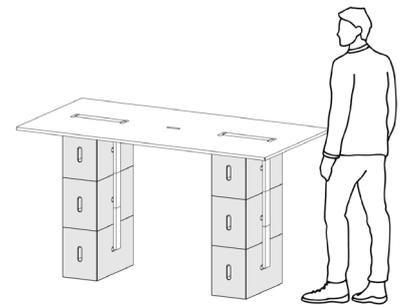

### Table height variations:

**Aufbau niedrig**  
Höhe **520** mm  
Set up low  
Height **520** mm

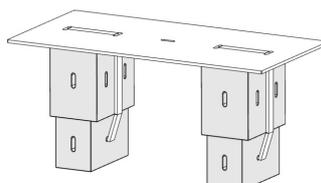

**Aufbau mittel**  
Höhe **680** mm  
Set up medium  
Height **680** mm

**Aufbau hoch**  
Höhe **1020** mm  
Set up high  
Height **1020** mm

**Aufbau niedrig, Variante 2**  
Höhe **600** mm  
Set up low, version 2  
Height **600** mm

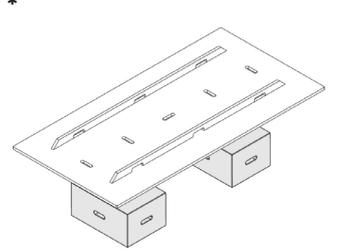

**Aufbau mittel, Variante 2**  
Höhe **853** mm  
Set up medium, version 2  
Height **853** mm

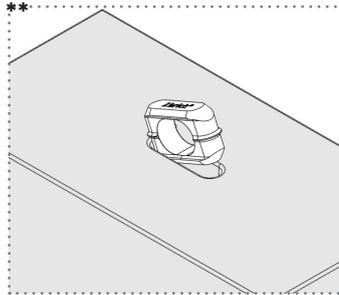

**Aufbau hoch, Variante 2**  
Höhe **936** mm  
Set up high, version 2  
Height **936** mm

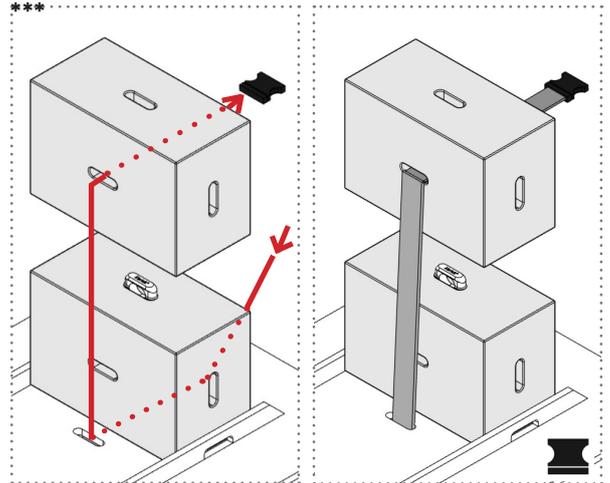

**Basics:**

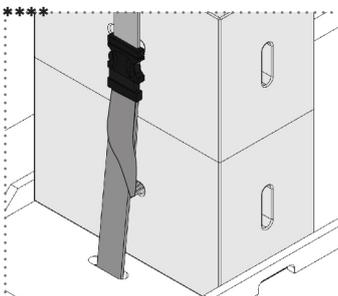

Xbrick als Unterlage beim X-table Aufbau  
Xbrick as a base for X-table construction

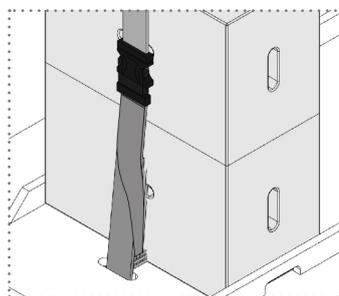

X-connector einseitig ansetzen und mit leichtem Druck einstecken  
Put the X-connector on one side and insert it with slight pressure

Korrektes einfädeln X-belt. Das lose Ende außen.  
Correct threading X-belt. The loose end outward.

Verstauen von X-belt im Xbrick Griffloch oder zwischen X-belt und Xbrick

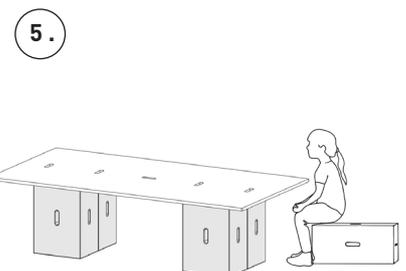

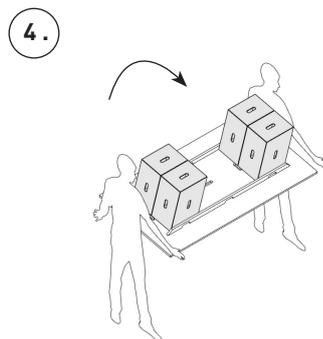

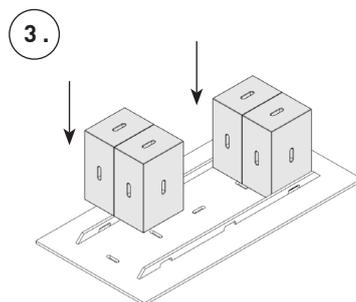

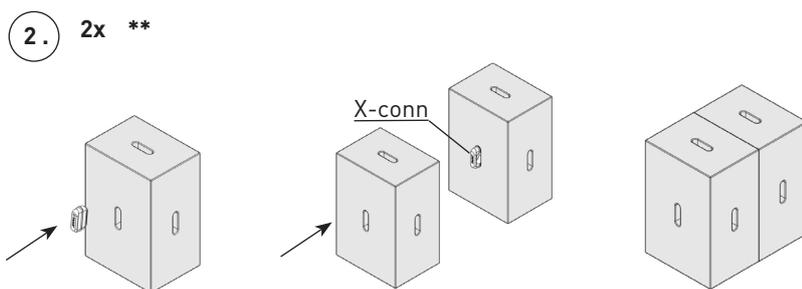

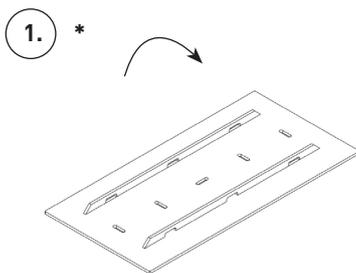

Stowage of X-belt in Xbrick grip hole or between X-belt and Xbrick
